**2005 Dues**—As members of the EAA we help the National Organization meet its financial obligations. We of Chapter 1361 also have obligations to meet and so it is important that we pay our dues in a timely manor. At the present less than half the membership is current. Please send, or better yet bring your dues check to the next meeting. Our Chapter dues are \$25 due at the beginning of each year. Our next meeting is Wednesday, April 6<sup>th</sup>. At 6:30 PM in the RARA.

## From the President's Corner—Bill Barrett

I want to take this opportunity to thank everyone that came out to the Young Eagles event March 12<sup>th</sup>. The food was great. I'm told that the sausages were the favorite. Everyone got fed. The volunteer turn out was great.

We had a chance to meet new pilots and had a very nice mix of male and female pilots. The 99's were represented

very well by Diane----- who received a lot of compliments for her pre-flight ground instruction. Kids like hands on and she took the time to give them all they wanted. I was very pleased by the static display brought out by the Nevada Army National Guard, the Blackhawk helicopter, and displays by the Tenants.

Although the numbers were down on the Gabbs High School group. We still had a chance to fly 12. I think there may have been a parent sneak in here and there.

In total we flew 42 kids.

### Minutes from Jenin Compton

#### General meeting minutes 3/02/05

Meeting opened at 1845 hrs. 15 in attendance. One guest and one new member.

#### Old business:

Golden West Fly-In coordinator and chapter member Jerry Quinte brought flyers and a plack for the chapter from last years participation . They are preparing for this years Fly-In ,( please look to the back of this publication for details), Last year Mike Cummings and others volunteered to assist. President Bill Barrett offered to participate and drive other volunteers in his van.

Reviewed preparations for Y.E event on the 12<sup>th</sup>. Event site has been changed from Doug Martin's hangar to the Air Race hangar. Everything is in place we just need kids, volunteers and good weather.

Lively discussion on the possible club house. It is down to the numbers. How much does RARA want for rent and how much we are willing to pay. \$100.00 to \$200.00 a month was discussed but in the end the membership agreed that RARA should set the

price and we will vote to determine if we can work with their number. Other details such as electricity and access must also be defined at that time.

A check for \$150,000 was donated to the chapter activities from the Tenants Association.

Our local FBO Aviation Classics has agreed to provide fuel to our Y.E. pilots for pump priced. They will provide a manned trunk for our use. This can be up to a .30 cent a gal saving for the chapter.

#### New business:

At the general membership meeting we will setup a literature table and a for sale table. Members can bring in items they don't need and want to sell .

Mr. Adrian Greive of the FAA , a recipient of the Wright Bros ward and Mechanics award. Spoke to the membership on registration of amateur built aircraft.

A question and answer period followed.

Meeting was adjourned at 2115 hrs.

## President's Corner, continued

*(Continued from page 1)*

Paid out \$259.69 for fuel and another \$160.00 for cooking supplies. This event was never intended to be a fund raiser, it was intended to draw the membership together, introduce us to the community and develop a program format. In each item we were a success. Thank you all.

There will be a get well card past around at the next meeting for everyone to sign. Joe ( Barracuda ) has recently undergone surgery and is recuperating. Updates to follow.

The meeting April 6<sup>th</sup> is a very important for you to attend. We will be discussing the Club House and the terms necessary to secure it. A proposal for a Swap Meet in May will also be put forward. This weeks presentation will be the Oshkosh

Airventure and Sportsmen license.

It's April and here I am again reminding members their dues are due. In the past we have been slack in this area. As we grow so does our overhead. We need your support to continue to bring interesting activities, hopefully a club house.

Our website is back up and running. Thanks to the efforts of Dave Wilbern . [www.eaa1361.org](http://www.eaa1361.org) You can also review past events and past issues of the newsletter. We are trying to keep the calendar as current as possible. If you have anything you would like posted or links to be added. Feel free to contact myself or Dave.

Have you ever wanted to be a multi faceted individual. Here is your chance. One of our founding

Fathers, Doug Martin, is moving to Fallon. You can be a Tech counselor, Board of Directors member, Devil's advocate, Chapter representative to the Reno/ Stead Tenants Assoc., Chapter meeting event coordinator and logistics coordinator all in one. Sorry Doug you can't leave.

But really, if anyone is interested in taking up these tasks or any part of them we want to talk to you. Side note. If anyone is interested to a Jet in a box,( L-39 full scale ), contact Dave Wilbern.

As always any comments or criticisms are welcome
